

# BIRDS OF THE GULF COAST

FOR GRADES 9-12 AND ADULTS

Take to the skies and learn about the fantastic, feathered friends that can be found at Gulf State Park! Program costs include guided field work, park admission, and avian forensic lab activity. Upon booking, a full itinerary will be provided. Follow up activities and talking points for educators are available at no additional cost.

## TIME FRAME: 5 HOURS

### ACTIVITIES

#### Wildlife Monitoring

Collect field data about shorebird population in the Gulf State Park.

#### Bird Identification

Actively record data during a guided birding hike.

#### Avian Forensics Lab

Examine the hidden world of bird anatomy as a forensic investigator.
