

# COASTAL DUNE ECOLOGY

FOR GRADES 9-12 AND ADULTS

Help in the effort to conserve a vital coastal ecosystem and learn about the amazing plants and animals that call these dunes home. Program costs include indoor program presentation, park admission, and equipment usage fees. Upon booking, a full itinerary will be provided. Follow up activities and talking points for educators are available at no additional cost.

## TIME FRAME: 5 HOURS

### ACTIVITIES

#### Dune Habitat Restoration

Learn about the ongoing efforts to protect this rapidly vanishing habitat.

#### Wildlife Monitoring

Gain first-hand experience with data collection and research methods.

#### Guided Beach Walk

Explore the scenic beauty of the Gulf Coast and learn from local conservation experts.
