

# PINE SAVANNA BIOBLITZ

FOR GRADES 6-8

Become a field ecologist for a day and help protect a vital coastal ecosystem! Program costs include park admission, educational programming, and the use of field gear. Upon booking, a full itinerary will be provided. Follow up activities and talking points for educators are available at no additional cost.

## TIME FRAME: 4 HOURS

### ACTIVITIES

#### **Biodiversity Surveying**

Learn the techniques of a professional field ecologist.

#### **Water and Soil Analysis**

Gather data to help scientists protect this critical habitat.

#### **Species Identification**

Experience the native wildlife of Gulf State Park.
