BEACH BIOLOGY

FOR **GRADES 6-8**

Spend a day at the beach at Gulf State Park learning about what makes this ecosystem so special! Program costs include park admission, educational programming, and pier fishing fees. Talking points and follow-up activities are provided to educators at no additional cost. Upon booking, a full itinerary will be provided.

TIME FRAME: 3 HOURS

ACTIVITIES

Coastal Dune Exploration
Walk along the dunes while learning about this incredible ecosystem.

Beach Service Project
Give back by helping remove debris and entering data into a global marine debris tracking system.

Beach Combing
Discover the evidence of life that washes ashore and learn how to identify what you find.
