COASTAL DUNE ECOLOGY

FOR **GRADES 9-12 AND ADULTS**

Help in the effort to conserve a vital coastal ecosystem and learn about the amazing plants and animals that call these dunes home. Program costs include indoor program presentation, park admission, and equipment usage fees. Upon booking, a full itinerary will be provided. Follow up activities and talking points for educators are available at no additional cost.

TIME FRAME: 3-4 HOURS

ACTIVITIES

Wildlife Monitoring
Gain first-hand experience with data collection and research methods.

Guided Beach Walk
Explore the scenic beauty of the Gulf Coast and learn from local conservation experts.
