WETLAND CONSERVATION

FOR **GRADES 9-12 AND ADULTS**

Become a field ecologist and collect scientific data to help protect our coastal wetlands! Program costs include indoor program presentation, park admission, and equipment usage fees. Upon booking, a full itinerary will be provided. Follow up activities and talking points for educators are available at no additional cost.

TIME FRAME: 3-4 HOURS

ACTIVITIES

Biodiversity Surveying
Learn the techniques of a professional field ecologist.

Wildlife Monitoring
Contribute to the protection of Gulf State Park's native wildlife.

Water and Soil Analysis
Gather data to help scientists protect this critical habitat.
